Bill Henderson
Item 1410
KUMUKWA MASK
Valued at \$8,000

The 50th Annual TV/ONLINE Auction continues a November tradition in Campbell River. Members of the **Rotary Club of Campbell River**, their family and friends, and members of the Carihi Interact Club will be at the **Rogers Studio** on Robron providing 15 hours of live, unrehearsed television.

Viewers will find a wide variety of items and services to bid on, all generously donated by local businesses and individuals - items that would make ideal Christmas gifts or an opportunity to buy items that you would buy anyway, all while supporting the worthwhile efforts of our Rotary Club.

Do you fancy a helicopter tour? Or some original artwork or carvings - we've got several! How about a whale watching trip? Or Season Tickets to Storm Games? Maybe an autographed Quinn Hughes Canucks Jersey? Does your car need some repairs, or your boat need some work? Or would you like to pamper

yourself with a manicure/pedicure, get a new hairdo or a facial, or treat yourself to some quality jewelry?

We've got it all with items ranging in value from \$20 to \$8,000, covering everything from lunch at local restaurants to a complete State-of-the-Art Hearing Aid Package and Carvings by Bill, Greg, and Junior Henderson - and dozens and dozens of Gift Certificates that are as good as cash! See Page 2 for auction details and some feature items. Listing of all items starts on Page 3. The best part is you get all this while supporting the Rotary Club of Campbell River's Community Projects! All money raised at the Auction stays in Campbell River and goes toward projects like the newly updated Raven Trail on Baikie Island, the Beaver Lodge Forest Lands Washrooms, and, of course, our signature projects - the Rotary Sea Walk and the Elk Falls Suspension Bridge among many others.

About Rotary

Rotary International began in 1905 in Chicago and was the world's first service club dedicated to using the fellowship of like-minded people to do good in the world. The concept caught on quickly and by 1910, the first international club was formed in Winnipeg. Today, more than 1.2 million Rotarians in over 35,000 clubs worldwide contribute 100's of millions of dollars annually to projects Promoting Peace, Fighting Disease, Providing Clean Water, Sanitation and Hygiene, Saving Mothers and Children, Supporting Education, Growing Local Economies, and Protecting the Environment and of course our major goal to Eradicate Polio. Our Club was formed in 1946 and over the years has provided tens of thousands of volunteer hours and over three million dollars to projects and support in Campbell River. Our members are "people of action" who are proud to support the local community and do good in the world.
